notify the DCMC PA, in writing, when all work has been completed under the contract and all Government property accountable to the contract has been disposed.

Attachment 1

Required Data Elements. Where applicable (all elements are not applicable to material) the contractor is required to maintain, at a minimum, the information related to the following data elements for EPA Government property: Contractor Identification/Tag Number; Description; Manufacturer; Model; Serial Number; Acquisition Date; Date received; Acquisition Cost*; Acquisition Document Number; Location; Contract Number; Account Number (if supplied); Superfund (Yes/No); Inventory Performance Date; Disposition Date.

* Acquisition cost shall include the price of the item plus all taxes, transportation and installation charges allocable to that item.

NOTE: For items comprising a system which is defined as, “a group of interacting items functioning as a complex whole,” the contractor may maintain the record as a system noting all components of the system under the main component or maintain individual records for each item. However, for the Annual Report of Government Property, the components must be reported as a system with one total dollar amount for the system, if that system total is \$25,000 or more.
